COST:

https://tuition.siu.edu/tuition_est/tuition4_dlof.pl?siustart=166lat-er&level=undergrad&college=other&residency=resident&altrate=altrate&cohort=212&semester=212&oncampus=no&fees=yes

REGISTRATION PROCEDURE:

Appointment with student advisor at the University Center.

ACADEMIC CALENDAR:

Classes run on Monday nights and Saturdays and students must follow that schedule for the fall, spring, and summer semesters. Students also spend time in elementary classrooms each semester to gain practical experience.

DELIVERY MODE:

In-person once a week evening classes

LOCATION OF COURSES:

University Center of Lake County

HOURS NEEDED:

SIU Elementary Education coursework: 60 semester hours

TEXTBOOK PURCHASE:

A list of required textbooks for each semester will be given to students well before the beginning of the semester. Students are responsible for purchasing the books prior to the start of the semester. EDUC 313 requires the purchase of Livetext at an approximate cost of \$135.

TRANSFER HOURS

Credit from a regionally accredited institution, or from an institution that has its credit accepted by the reporting institution in the state is evaluated at the time of admission. Courses, which are remedial, developmental or pre-college, will not be accepted for transfer. Articulation and Evaluation will determine the acceptance of credit and its applicability toward University Core Curriculum requirements. All credit accepted for transfer, which is not applied to University Core Curriculum requirements or to a specific degree program, will be considered general transfer credit (elective credit). Transfer courses to be considered toward specific program requirements will be authorized by the department directing the program. Information on articulation of individual schools is available at: articulation.siu.edu.

FINANCIAL AID INFO:

Students enrolled in this program are eligible for Federal Financial Aid.

SPECIAL CHARACTERISTICS:

- Cohort style allows for formation of strong networking and support system.
- Integrated coursework makes content more meaningful and applicable.
- Extensive field experiences gives learning context and allows for practical application of new knowledge and skills
