REQUIRED COURSES:

English/Communications
9 Credit Hours
Social and Behavioral Science
3 Credit Hours
Speech/Interpersonal Communications
3 Credit Hours
Humanities or Fine Arts
9 Credit Hours
*Physical Life Sciences
7 Credit Hours
General Electives
9 Credit Hours

Our Bachelor of Science Completion Program in Imaging Technology (Radiography) builds on the knowledge base of ARRT-certified radiologic technologists from associate degree and certificate programs. The program focuses on current quality standards, leadership, and other areas modern healthcare. Designed for the Working Rad Tech 100% Online. Flexibility for today's students; complete the weekly assignments on your schedule. Experienced Professors. Leaders and technologists who possess a vast array of knowledge and experiences in the field. Relevant, Actionable Topics Our courses emphasize current healthcare environment topics taught through an integrated educational model. Focus on Leadership Readiness A diverse foundation prepares students for the responsibility of leading and managing others in the field.

TARGET AUDIENCE:

ARRT-certified radiologic technologists from associate degree and certificate programs

ADMISSION REQUIREMENTS:

Earned a minimum cumulative undergraduate grade point average (GPA) of 2.00 on a 4.00 scale
Must have a current and unencumbered ARRT registration
Must be in good standing with all prior colleges and universities attended
Gen Ed + Imaging PreReqs: Oak Point grants current radiologic technologists a bank of up to 53 semester hours for previous radiography education credits earned. Commensurate with your academic history, college-level credits will be applied to your degree plan..

COST:

Tuition Per Credit Hour: \$663
Fees: \$290 Full-Time // \$140 Part-Time

APPLICATION DEADLINE:

9/5/2023
1/8/2024
5/6/2024

ACADEMIC CALENDAR:

9/5/2023
1/8/2024
5/6/2024

DELIVERY MODE: Online

SPECIAL CHARACTERISTICS:

Earning your BS opens doors to a myriad of career opportunities. Your BS can pave the way for positions in healthcare administration, sales, education, and research, broadening your professional horizons. Completing your BS equips you to navigate the complexities of the healthcare area more professionally and competently. This increased competency makes you more valuable to employers and enhances your ability to provide optimal patient care. Earning a BS exposes you to a diverse network of faculty, fellow students, and industry professionals, helping you build meaningful connections that can boost your career.\
