

**BUSINESS ADMINISTRATION
BACHELOR OF ARTS****ONLINE**

The online Bachelor of Business Administration degree provides students with a course of study that will prepare them for challenging careers and positions in private and public sector organizations. Our mission is to prepare students for successful business-related careers in organizations by fostering intellectual and personal growth, developing specific skill sets relevant to the global business community. We place emphasis on innovative programs, experiential and online learning, delivered with a focus on individual learning outcomes, applied research and active engagement with external stakeholders.

TARGET AUDIENCE:

Students who have an AA or AS (or at least 45 hours of completed college credit towards a bachelor's degree) and want a bachelor's degree in Business Administration.
