online/tuition-funding](https://grainger.illinois.edu/academics/online/tuition-funding)

REGISTRATION PROCEDURE:

[https://grainger.illinois.edu/academics/
online/registration](https://grainger.illinois.edu/academics/online/registration)

DELIVERY MODE: Online

TEXTBOOK PURCHASE:

<https://bookstore.illinois.edu>

TRANSFER HOURS POLICY:

Only UIUC courses will count toward the certificates.

FINANCIAL AID INFO:

Not available for certificate programs

These certificates are intended to provide a multiplier effect on the value of an engineering degree by grounding engineers in business concepts that will be encountered throughout their career. Up to 12 hours of credit may be transferred into a degree program with departmental approval.

BUSINESS MANAGEMENT FOR ENGINEERS (BME)

The Business Management for Engineers (BME) certificate consists of a sequence of courses that concentrate on the principles and practice in business concepts and management skills designed help to build the aptitude of engineers in this area; an expertise that is inherently necessary for successful managers and leaders.

ADMISSION REQUIREMENTS:

[https://tec.illinois.edu/academics/
certificates/business-management](https://tec.illinois.edu/academics/certificates/business-management)

TOTAL HOURS NEEDED:

6 semester hours for the BME

REQUIRED COURSES:

EDL 513 Student Assessment and Emerging BME - [https://tec.illinois.edu/
academics/certificates/business-
management](https://tec.illinois.edu/academics/certificates/business-management)

STRATEGIC TECHNOLOGY MANAGEMENT (STM)

The Strategic Technology Management (STM) certificate program is designed for students with an engineering background who aspire to rise in management, make higher level strategic technology/business decisions, and develop leadership skills.

ADMISSION REQUIREMENTS:

STM - [https://tec.illinois.edu/
academics/certificates/strategic-
technology](https://tec.illinois.edu/academics/certificates/strategic-technology)

TOTAL HOURS NEEDED:

7 semester hours for the STM

REQUIRED COURSES:
