

ACCOUNTING BACHELOR OF SCIENCE

SIU Southern Illinois
University
CARBONDALE

ONLINE

Accounting is the process of identifying, measuring, and communicating economic data so that sound business judgments and decisions can be made. The B.S. degree completion program with a major in accounting meets the objectives of students considering professional positions as certified public accountants or as members of industry or government management teams.

TARGET AUDIENCE:

The online accounting degree completion program is designed for students who already have the first two years of a four year degree completed who are looking for a convenient way to finish a high quality bachelor's degree in accounting. The accounting degree is intended for students considering professional positions as certified public accountants or as members of industry or government management teams. This program is AACSB accredited and the business courses are 100% online.

ADMISSION REQUIREMENTS:

Students are required to have 60 hours of college-level course work complete, and we prefer students to have completed their university core curriculum, all three required MATH and both ECON courses prior to transfer. Visit <http://siu.edu/apply-now>.

COST:

<http://tuition.siuc.edu>

REGISTRATION PROCEDURE:

After admission, students will be advised and may self-register from their Salukinet account. Students will be contacted regarding academic advisement and course registration via the email address provided during the application process. Students should register at least one week prior to the start of classes.

ACADEMIC CALENDAR:

Online business prefix courses are 8-weeks each and offered Spring, Fall and Summer semesters.

DELIVERY MODE:

Business prefix courses (ACCT/FIN/MGMT/MKTG) are fully online, including tests. Students purchase an external USB webcam used for proctored exams.

TEXTBOOK PURCHASE:

Textbooks are available through online retailers. E-books are available through salukishop.com.

TRANSFER HOURS POLICY:

Articulation & Evaluation will determine the acceptance of credit and its applicability toward University Core Curriculum requirements. All credit accepted for transfer, which is not applied to University Core Curriculum requirements or to a specific degree program, will be considered general transfer credit (elective credit). Students must submit an official transcript issued within the last 30 days from each prior institution.

Credit for Military Experience varies based on length of service and type of training. To receive credit for military service, veterans must present a copy of discharge separation papers, an AARTS transcript, a SMART transcript or transcript from the Community College of the Air Force to Articulation & Evaluation, Mailcode 4725, SIUC, Carbondale, IL 62901.

Information on credit for military service and articulation of individual schools is available at: <http://articulation.siu.edu>.

TOTAL HOURS NEEDED FOR DEGREE:

120 Total
