

MECHANICAL ENGINEERING MASTER OF SCIENCE

ONLINE
TARGET AUDIENCE:

Individuals interested in completing an MS degree in mechanical engineering or taking courses for professional development. Individuals must have a BS degree in mechanical engineering from an ABET accredited institution. Both thesis and non-thesis options are available.

ADMISSION REQUIREMENTS:

<https://mechse.illinois.edu/graduate/applying-mechse-graduate-programs>

DELIVERY MODE:

Courses offered online.

REGISTRATION PROCEDURE:

<https://grainger.illinois.edu/academics/online/registration>

ACADEMIC CALENDAR:

<https://grainger.illinois.edu/academics/online/calendar>

COST:

<https://grainger.illinois.edu/academics/online/tuition-funding>

PAYMENT:

American Express, MasterCard, Visa, and Discover.

LOCATION(S) OF COURSES:

Entirely online, but exams must be proctored. The University Center of Lake County is an approved testing center.

TEXTBOOK PURCHASE:

<https://bookstore.illinois.edu>

TRANSFER HOURS POLICY:

Individuals may transfer, with approval from the graduate advisor, eight hours of credit from another institution. Up to 12 hours of UIUC credit taken prior to admission may be applied to a degree.

NON-DEGREE COURSEWORK OFFERED:

Students may enroll as non-degree students on a credit or non-credit basis without having to be admitted into the Graduate College.
