- IT 501 - Foundational Issues for Educational Technology Specialists
- IT 550 - Emerging Technologies in Education
- IT 560 - Leadership in Educational Technology
- IT 561 - Designing Digital Materials
- IT 562 - Social Media for Teachers
- IT 563 - Games and Simulations
- IT 574 - Educational Technology Specialist Final Project

Educational technology enables teachers and other school personnel to plan, implement and evaluate technology-based instruction and learning activities in P-12 settings. This specialization places a particular focus on leveraging technology to enhance the learning environment. As you complete this specialization, you simultaneously can earn the post-baccalaureate certificate (PBC) in emerging technologies. Students must complete an admission application and a graduation application for the PBC if wishing to have the additional PBC credential awarded on the transcript.

TARGET AUDIENCE:

School teachers and other school personnel.

ADMISSION REQUIREMENTS:

- Online application, official transcripts.
- Undergraduate degree is required for admission.

COST:

Tuition cost by credit hour.

REGISTRATION PROCEDURE:

Online registration

ACADEMIC CALENDAR:

January, March, May, August, and October

DELIVERY MODE:

100% online, using Blackboard, SIUE's learning management system.

TEXTBOOK PURCHASE:
